

DUST DISEASES TRIBUNAL OF NSW

ADVICE TO PRACTITIONERS (No. 4 of 2023)

SILICOSIS LIST

1. The Tribunal will be holding a Silicosis List on the first Monday of each month, commencing **5 February 2024 at 10:30am**.
2. Claims filed in the Tribunal where the plaintiff's injury is Silicosis (or any other silica-based injury) will be listed in the Silicosis List. The claim will be listed within six weeks of the date of filing.
3. Asbestos related claims that also include a silica-based injury will also be included in the Silicosis List.
4. The purpose of the Silicosis List is to ensure the efficient case management of these claims, to identify common issues in cases and manage those issues to final resolution as expeditiously as possible.
5. Claims that are listed in the Silicosis List have liberty to apply to be listed in any Monday list, if required.
