00:00:01,000 --> 00:00:04,687

At CSI Corrective Services Industries we are a work and

00:00:04,754 --> 00:00:08,039

education program within Corrective Services NSW.

00:00:08,360 --> 00:00:12,600

With over 5000 people in custody employed across 14 industries.

00:00:12,960 --> 00:00:17,520

We are a purpose driven organization changing lives through meaningful work.

00:00:18,480 --> 00:00:21,828

CSI provides a wide range of products and services that

00:00:21,889 --> 00:00:25,359

support the daily operations of NSW Correctional Centres.

00:00:25,720 --> 00:00:28,981

We also partner with government and the private sector to

00:00:29,038 --> 00:00:32,814

deliver high quality solutions across the state because we believe

00:00:32,871 --> 00:00:35,160

in creating pathways to a better future.

00:00:35,760 --> 00:00:39,212

Our work programs equip people in custody with real world

00:00:39,272 --> 00:00:42,906

skills, helping them build job readiness, reduce the risk of

00:00:42,967 --> 00:00:46,479

reoffending and contribute to safer, stronger communities.

00:00:46,720 --> 00:00:50,353

We are not just preparing individuals for release, we're preparing

00:00:50,408 --> 00:00:52,280

them for success in the community.

00:00:52,720 --> 00:00:57,800

CSI Changing lives, strengthening communities, one job at a time.
