

CSI Become an Engineering Trade Overseer Video Transcript

Our trade overseers are responsible for the management, supervision, and training of people in custody while they're at work.

CSI offers stable employment, with many opportunities for career progression and a diversity of roles.

Working in a Correctional Centre is challenging, fun, and no 2 days are ever the same.

We have exciting roles in locations across New South Wales. If you're trade qualified and ready for your next adventure, get in touch with our team today.
