

Ensuring our
operations
benefit everyone.

Who are we.

CSI is a commercial arm of Corrective Services NSW.

What we do.

CSI provides an extensive range of products and services for the day-to-day operation of NSW Correctional Centres. CSI also manufactures and supplies product and services in partnership with the private sector and Government.

Why we do it.

CSI work programs provides work readiness capability for people in custody to enhance their opportunities to gain employment post release, reducing recidivism and enhancing community safety.

Our business.

We have over 120 commercial business units and 60+ services industries operating across 29 Correctional Centres. We have been trusted by Australian businesses for over 30 years. Our standards are internationally certified Quality Management System at identified locations.

Our commitment.

Empower inmates to gain employment skills and qualifications while in custody. We continue to surpass industry benchmark performance for correctional industries globally with innovation at the forefront. We treat land, resources, and people with great respect.

WH&S.

WH&S policy to manage the health and safety of workers and workplaces with training of staff and inmates.

Vocational education and training.

People in custody can participate in a program and complete traineeships in print, construction, warehousing, hospitality, food services, furniture making, laundry operations, horticulture, business administration, commercial cleaning operations, agriculture, and engineering.

Work Release.

We partner with over 100 employers across NSW to provide skilled individuals who are eager to work.

P2E.

Pathways to Employment (P2E) assists eligible inmates exiting custody to find a job that matches their skills, experiences, and employment goals.

Our operation.

Within CSI, we have a logistics fleet of over 25 vehicles servicing metro, rural and regional Correctional Centres in NSW.

We have an extensive network of warehouses strategically placed across the 29 Correctional Centres statewide. This allows for a wide-reaching solution to logistics and freight.

CSI currently freight goods daily throughout NSW and have expertise in managing to deadlines and schedules.

We are constantly expanding our capabilities and capacity and can manage projects that require high-level expertise as well as repetitive, long-run tasks.

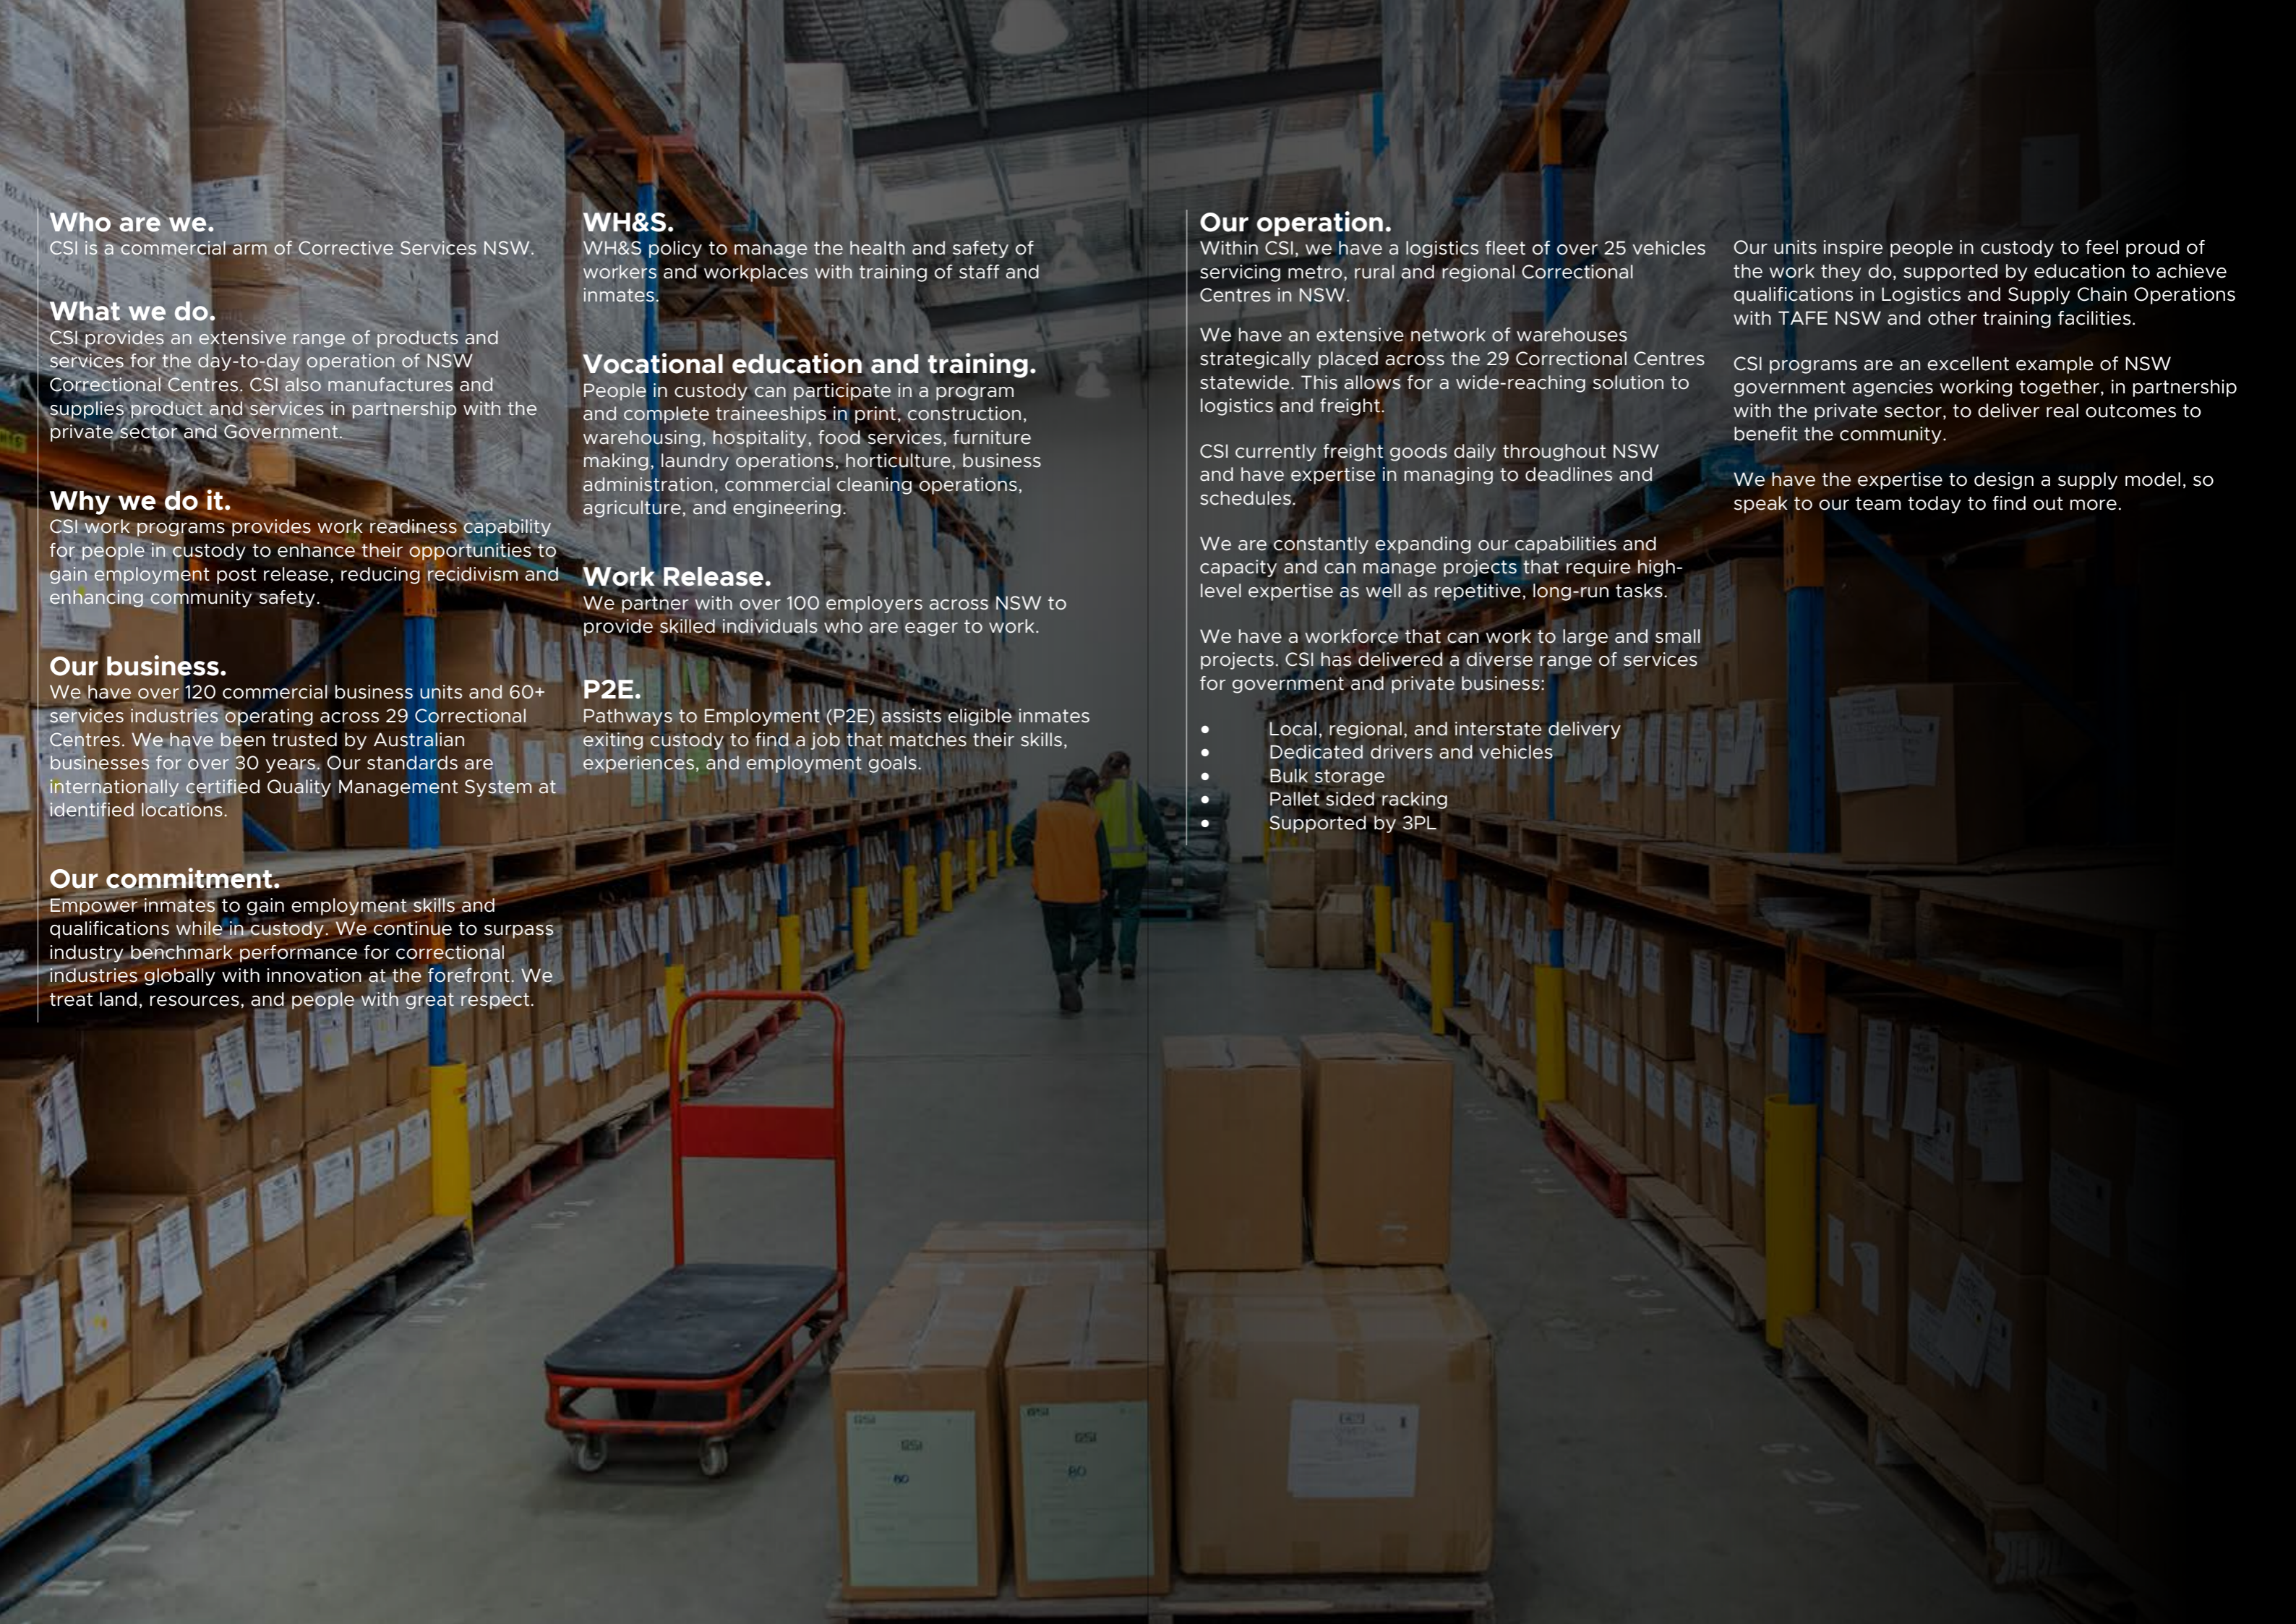

We have a workforce that can work to large and small projects. CSI has delivered a diverse range of services for government and private business:

- Local, regional, and interstate delivery
- Dedicated drivers and vehicles
- Bulk storage
- Pallet sided racking
- Supported by 3PL

Our units inspire people in custody to feel proud of the work they do, supported by education to achieve qualifications in Logistics and Supply Chain Operations with TAFE NSW and other training facilities.

CSI programs are an excellent example of NSW government agencies working together, in partnership with the private sector, to deliver real outcomes to benefit the community.

We have the expertise to design a supply model, so speak to our team today to find out more.

We have a lot to be proud of, collectively our work changes lives in a positive way.
